- Thickened nylon hook & loop
- 1-inch fasteners
- Fiberglass mesh
- Waterproof coating
- Anti-Microbial Coating
- Dust resistance
- Easy maintenance
- Suitable Areas: Windows, Ventilators, & Balconies

Openable Window Mosquito Net

- T6 virgin aluminium frames
- Epoxy Polyester Coating
- SS 304 grade mesh
- Black epoxy coated
- Sturdy accessories
- Dust resistance
- Easy maintenance
- Suitable Areas: Windows, Balconies & Ventilators

Magnetic Window Mosquito Net

- T6 virgin aluminium frames
- Epoxy polyster coating
- SS 304 grade mesh
- Black epoxy coated
- Power Magnetic Strips
- Dust resistance
- Easy maintenance
- Suitable Areas: Windows & Ventilators

Solid Door Mosquito Net

- T6 virgin aluminium frames
- Heavy frames
- Powerful magnetic catchers
- SS 304 black epoxy coated mesh
- Sturdy accessories
- Dust resistance
- Easy maintenance
- Suitable Areas: Doors and Balconies

Ace Door Mosquito Net

- T6 virgin aluminium frames
- Eopxy polyster coating
- SS 304 grade mesh
- Sturdy accessories & magnet
- Black epoxy coated
- Dust resistance
- Easy maintenance
- Suitable Areas: Doors and Balconies

Pleated Mosquito Net

- T6 virgin aluminum frames
- Epoxy polyster coating
- Vinyl coated polyester mesh
- Waterproof coating
- High tensile string
- Sturdy accessories
- Easy maintenance
- Suitable Areas: Windows, Doors & Balconies

Roll Up Mosquito Net

- T6 virgin aluminum frames
- Fiberglass mesh
- Waterproof coating
- Anti microbial coating
- Hydraulic spring mechanism
- Thick nylon cord
- Easy maintenance
- Suitable Areas: Windows & Ventilators

Barrier Free Mosquito Net

- T6 virgin aluminum frames
- Epoxy polyster coating
- Vinyl coated polyester mesh
- Strong foldable nylon runner
- Waterproof coating
- High tensile string
- Easy maintenance
- Suitable Areas: Doors, Balconies & French Windows

Exterior Blinds

Our Factory

Our huge factory setup helps us in achieving bulk stock storage and thus deliver finished materials on time for our dealers across India. The step-by-step procedures for processing the orders through segregation, assembling, fabrications, fine-tuning, quality check, packing & forwarding with caution labelings give a flawless organized production. The factory located near the main transportation hubs makes us more convenient to dispatch the materials safely and quickly.

Accessories

We offer a wide range of accessories for mosquito net fitments and blinds. Our quality and standards guarantee an extended lifespan of the fitments, even when installed in a perpetually humid area. All our essential accessories are tested, verified, and affordable in price ranges.
